

Summary of the differences in EU and UK requirements

EU	UK
CE Mark 	UKCA Mark 
ATEX Equipment Directive 2014/34/EU	EPS Regulations 2016 SI 2016 No. 1107 (amended by SI 2019 No. 696)
EU Declaration of Conformity	Declaration of Conformity
Notified Body (NANDO)	Approved Body (UK Market Conformity Assessment Bodies)
EU Type Examination Certificate	UK Type Examination Certificate
QAN** (Quality Assurance Notification)	UK QAN** (UK Quality Assurance Notification)
EU Harmonised Standard	UK Designated Standard

** QAN (Quality Assurance Notification) is part of a mandatory quality assurance system that applies to the equipment manufacturer. Specifically, a QAN is required for ATEX and UKEX equipment categories M1, M2, 1 and 2. Manufacturers should contact an EU Notified Body or UK Approved Body for more information.
